

Forest Home Improvement Association  
Officers' Meeting Minutes  
Date: June 6, 2014 7:30pm  
Location: Forest Home Chapel, just outside at a small table

In attendance: Claudia Fuchs, President; Bill Arms, Vice President; Montana Petersen, Treasurer; Cindy Bowman, Secretary. Also in attendance: Bruce Brittain on the most beautiful evening of the year so far.

Montana – Nothing to report budget-wise

Claudia ~ Burglary update – silver stolen from both Mrs. McAdams and Ruth Mahr; person of interest identified, taken in and not held.

Bruce – update on Bridge – intersection done according to traffic calming plan; Town deciding whether to pave right up to that intersection. Town Hall meeting needs an FHIA member at 5:30pm – Cindy Bowman volunteers to represent FHIA at meeting.

Discussion on the FH sidewalks:

- Town is looking for a letter of support to send to the State.
- What was agreed to at a meeting a year ago was that the sidewalk would run from the western end of the Byway over and across the bridge.

Claudia – Tell the Plantations Director that a proposal is in the works.

Claudia – Entrance into Cornell would leave Pleasant Grove Road onto Cradit Road; Gary Stewart asked to be invited to a meeting.

Bridget Barry is thinking about busses; she is very professional and may be able to figure out a solution.

Montana – Planting Party from 10:00 am until 1:00 pm (on Saturday); will order Neds Pizza; bucket brigade will happen as the plants need to be watered. Come one; come all.

Tea mentioned at Linda's during the Historic Walking tour; this could happen for the Summer Solstice? Solar panels mentioned.

Big trucks took out the guard rail on Warren Road; new signage perhaps should be installed at the top of Warren Road to warn trucks?

Entrance feature lights were fixed; zebra stripes will be put in.

The Directory is in the hands of Kim: have not had an update yet.

The Fall Party – Town office for a permit to close the street. Date – mid September; Cindy and Bill to work on.
